ADDENDUM No. TWO

Date: December 4, 2024
Project: Rincon WWTP Expansion, MES No.2020-10
Engineer: M.E. Sack Engineering
Hinesville, Georgia

This addendum will supersede all previously released addenda, with the intent to provide a completely new package. Any particularly noteworthy revisions have been noted. The original plans, specifications, and bid documents are amended to include the following:

Bid Document:

- Replace the previous Bid Document with the Request for Proposals (RFP) linked below. Note that through no fault of the Engineer, the submission forms and requirements have been revised to an RFP format.
 - https://filshare.mesack.com/dl/c9AvbhEmdv/2020-10_RFP.pdf
- Note: The Contract has been revised.
- Note: Supplemental Conditions have been revised.
- Note: General Conditions have been revised, specifically Article 4, Section 4.06; Article 5, Section 5.01; Article 6, Sections 6.07, 6.11, and 6.20; and Article 10, Section 10.01.

Plans:

- Replace the previous plan set with the linked of the same. Note all revisions made through addenda to date are included.
 - https://filshare.mesack.com/dl/Yjevodyf2/2020-10_Plan_Set_RFP.pdf
- Note: Revisions were made to the digester mixer on Sheet **M7**.
- Note: Revisions were made to the digester diffuser on Sheet **M12**.
- Note: A digester mixer detail was added to Sheet **M15**.
- Note: On Sheet **E1B**, Note LF-1 was updated.

Specifications Book:

- Replace the previous specification book with the linked of the same. Note all revisions made through addenda to date are included.
 - https://filshare.mesack.com/dl/nl8mITbdNt/Specifications_Book_RFP.pdf
- Note: Part 2.03 of Specification **15265 Chemical Feed Metering Pump** was revised to clarify the pump capacity needed.

-END-
